Key elements include the Testive icon, the 'Get Started' button, the 'STATEMENT OF UNDERSTANDING' form, the 'Hi, I'm Sly' character, the '30 Questions Personal Plan' page, and the 'YOUR UPCOMING TEST DATES' page.

TESTIVE

A GUIDE FOR STUDENTS

Using “Smart Questions,” Testive saves time by providing students with questions that aren’t too easy or too hard by adapting the skill level based on the students’ calibrated test scores with software developed at MIT.

PRACTICE

- answer practice questions daily
- find practice questions for each subject test divided into topics

TOPICS

- watch videos to learn about the structure of the exams
- watch videos to learn strategies that could improve your scores

REVIEW

- after answering questions, review them
- view step-by-step answer explanation tutorials

ANALYTICS

- view your progress from your first practice test to your goal score

***PRACTICE TESTS**

- download ACT practice tests and answer sheets
- upload completed tests to calibrate a baseline score

CALENDAR

- track your usage to keep yourself accountable to studying consistently

The “Smart Questions” will be most accurate after a practice test is completed to calibrate the skill level for the student
